Send a focused, detailed photograph of your pet. Snapshots are ok. The best photographs are headshots of the animal looking directly at the camera with a characteristic expression. I like to stand on the ground (floor) and have my dogs sit up on the porch. The camera seems to hit them at eye level.

Payment may be made in cash, by check/money order, through PayPal, in advance.

I understand that each Pet Portrait is an original work of art created and signed by Nicki Hitz Edson and fabricated through an extensive process that normally takes 3 to 5 weeks to complete. Expedited orders can be arranged for guaranteed delivery in as soon as 2 weeks for an additional Handling Fee. Shipping is normally by UPS Ground and fully insured. Expedited orders can be arranged by FedEx or other carrier, prepaid or at posted tariffs.
